To: Snell Packaging & Safety

Certification confirmation:

This is to clarify that the following products are manufactured under a Food Safety Program and comply with HACCP and US FDA Title 21 requirements:

**Roll foil products with the brand "Uni-Foil" 440mm x 90m,
440mm x 150m & 300mm x 150m.**

Uni-Pak operates an in house quality assurance program and ensures that the supplier of the above product meets and exceeds international standards for the manufacture of related products.

Yours sincerely:

Rick Boon
