

DuraVision™ Convex Mirror Product Sheet:

Situation Images:

▶ Pedestrian Crossings

▶ Industrial Safety

▶ Driveways and Carparks

Heavy Duty Acrylic

The weather resistant heavy duty acrylic convex mirror is versatile and robust and will handle many industrial and traffic situations. Complete with a fully adjustable wall mounting bracket (optional pole mounting accessories are available) which is easy to install and allows the mirror to be angled in the most effective position. The mirror face is manufactured from optical grade 100% virgin acrylic and vacuum metalised using 99% pure Aluminium. These advanced mirroring and shaping techniques result in a super-bright, clear reflection with no distortion. For industrial and outdoor situations where extreme weather is not experienced, the heavy duty acrylic mirror is ideal.

Features

- 2mm or 3mm acrylic mirror face
- Pure reflective coating
- Vinyl Celuka Back
- Vinyl extrusion
- Includes Outdoor J-Bracket to fix to wall or ceiling (wall mounting screws not included)
- Pole Mounting Kit Available

Suitable Uses

- Outdoor surveillance
- Industrial safety
- Driveways and carparks
- Pedestrian Crossings and Sidewalks
