

Hearing Protection

3M™ 1426 Earmuff

3M™ 1426 Economical Earmuff

An entry level earmuff with high level attenuation designed to provide basic protection. Super economical, the over the head design provides maximum versatility for use with other PPE.

3M™ 1426 Earmuff

Convenient

- + Easily disassembled for cleaning for a more hygienic earmuff for the wearer.
- + No direct air leaks into the ear cup for higher attenuation.
- + All plastic design complying with dielectric demands.

Comfortable

- + Wide soft cushion design for increased comfort for wearer, better attenuation

Compatibility

- + Designed to be compatible with other PPE

- + SLC80 26dB (Class 5)
