KLEENGUARD* Overalls White: 6421.6422.6423

Blue: 6430, 6431, 6432, 6433 Orange:6411, 6412, 6413

PRODUCT DESCRIPTION

KLEENGUARD* Overalls offer low-linting and anti-static protection in a single-use garment. They can be used for a variety of applications, from emergency services to agriculture to general maintenance and cleaning.

TECHNICAL FEATURES

- Protection with breathable comfort
- High performance fabric which allows the body to "breathe"
- Low linting and treated for anti-static
- · Generous sizing and superior cut, strong seams
- Ideal for particle protection whilst also providing a good level of repellence against light sprays of water based liquids.

TECHNICAL SPECIFICATION

Appearance:

Body covering garment, front zip for closure with elastic at wrists, ankles and hood, made from white, blue or orange non-woven polypropylene fabric.

Ingredients:

 $\begin{array}{ll} \mbox{Polypropylene resin (CAS 9003-07-0)} & > 97\% \\ \mbox{Pigments White (TiO$_2$), Blue or Orange} & < 3\% \\ \mbox{Antistatic agent} & < 0.5\% \end{array}$

Not classified as hazardous according to the criteria of NOHSC

HEALTH EFFECTS

When used according to the company's directions and for the purpose for which they were intended, these products will not have any adverse health effects.
