

HEARING PROTECTION AND ASSEMBLY LINE SAFETY - METAL DETECTABLE EARPLUGS

# HEARING PROTECTION

**SAFE AS.**

## RANGE AVAILABILITY

## TECHNICAL SPECS

### PRODUCTS CODES

EPBMDC

### SPECIFICATIONS

Approvals:	AS/NZS 1270:2002
ID No.	3396
Rating	Class 5, SLC80 27dB
Weight	3.1 grams

## FEATURES AND BENEFITS

Metal Detectable	ProPlug Bell metal-detectable disposable ear plugs offer maximum protection in busy, industrial work environments where the threat of any contamination is unacceptable and eliminate any damage to sensitive production lines by the accidental introduction of ear plugs
High Level Protection	ProPlug Bell range is approved to AS/NZS 1270:2002, and offer protection for noise levels to 110dB(A) making them suitable for general and industrial use and perfect for food processing applications.
Superior Design	The bell shape uses an optimal design for correct fit and user comfort. This is easier to insert and reduces the tendency for the plug to back out of the ear. The smooth, soil-resistant polyurethane prevents dirt build-up.
Individually Packaged	Each pair is packaged in individual poly bags for hygiene

## HEARING LOSS PREVENTION

Easy prevention measures, including hearing protection, avert permanent and debilitating hearing loss.

Hearing loss due to industrial noise is one of the most widespread, yet preventable work place injuries. Significant, irreversible hearing loss can occur after being subjected continually to noise from machinery, day-to-day activities, tools and traffic.

Research and development by ProChoice has resulted in hearing protection devices that offer the most effective protection available.

## INDUSTRY APPLICATIONS

- Mining
- Construction
- Engineering
- Fabrication
- Manufacturing
- Automotive
- Wood Working
- Cleaning and Industrial
- Food Processing
- Assembly Line Production

## RECOMMENDED PROCHOICE SAFETY PRODUCTS

DVB

### Blue Vinyl - General Purpose Disposable

- Lightly powdered, close fitting
- Blue colour indicates suitability for use in food industries
- Latex free – suited for use by those allergic to latex

DOW

### Disposable Coveralls - White

- Lightweight polypropylene material with hood and elastic waist, cuff and ankle
- Easy to put on and remove
- Two way zipper
- Durable and economical
- Sizes: M, L, XL, 2XL, 3XL

9900

### 9900 Clear

- Medium impact, anti-scratch lens
- Stylish, wrap around design for wear in any work environment
- Lightweight and durable polycarbonate frame
- 99.9% UV protection for outdoor
- Ultra lightweight to increase comfort for extended wear

PC321

### Respirator P2 with Valve

- P2 rating for protection against mechanically and thermally generated particles
- Exhalation ProValve for extra air flow
- Colour coded nose-piece and packaging

LB12

### Lip Balm 12gm Tube

- SPF 30+ with moisturising Vitamin E
- 4 hours water resistant
- Twist up stick

The extensive ProChoice range of high quality Personal Protective Equipment is produced for Australian conditions and distributed throughout Australia by Paramount Safety Products.
