SPECIFICATIONS

Approvals:	AS/NZS 1270:2002
ID No.	3396
Rating	Class: 4, SLC80 24dB
Weight	20 grams

FEATURES AND BENEFITS

High level Protection	Approved to AS/NZS 1270:2002, the ProBand provides the highest level of protection for a headband earplug, Class: 4, SLC80 Rating: 24dB, making it ideal for general and industrial use
Ergonomic design	The smooth disposable polyurethane ergonomic pads fit easily in the ear for maximum protection. The superior design makes for easier insertion and reduces the tendency to back out of the ear.
Convenient headband	The headband is ideal when moving in and out of high noise areas, as the band fits comfortably around the neck when not in use. This improves onsite safety compliance.
Economical	Replacement pads for the headband are available separately providing a cost effective solution to earmuffs and earplugs.

HEARING LOSS PREVENTION

Easy prevention measures, including hearing protection, avert permanent and debilitating hearing loss.

Hearing loss due to industrial noise is one of the most widespread, yet preventable work place injuries. Significant, irreversible hearing loss can occur after being subjected continually to noise from machinery, day-to-day activities, tools and traffic.

Research and development by ProChoice has resulted in hearing protection devices that offer the most effective protection available.

INDUSTRY APPLICATIONS

- Mining
- Engineering
- Manufacturing
- Wood Working
- Construction
- Fabrication
- Automotive
- Cleaning and Industrial

RECOMMENDED PROCHOICE SAFETY PRODUCTS

HBEPAR

ProBand Fixed Headband Replacement Earplug Pads

- Replacement pads to suit ProChoice ProBand fixed Headband Earplugs

EPDS500

ProPlug Dispenser Station 500

- Class 5, SLC₈₀27dB
- Workplace dispenser with 500 pairs of ProPlug Disposable Uncorded Earplugs
- Dispenses one pair at a time

6704

Breeze Silver Mirror

- Medium impact, anti-scratch lens
- Stylish, wrap around design which promotes wear in any work environment
- 99.9% UV protection for outdoor
- Ultra lightweight to increase comfort for extended wear

PC321

Respirator P2 with Valve

- P2 rating for protection against mechanically and thermally generated particles
- Exhalation ProValve for extra air flow
- Colour coded nose-piece and packaging

NPF

Stinga Glove

- (BHT) Bare Hand Technology
- Seamless 15 gauge, 100% apparel grade nylon shell
- PVC Foam Coating provides water repellency, comfort and enhanced gripping power in wet and dry conditions

The extensive ProChoice range of high quality Personal Protective Equipment is produced for Australian conditions and distributed throughout Australia by Paramount Safety Products.
