SPECIFICATIONS

Approvals:	AS/NZS 1270:2002
ID No.	3396
Rating	Class 5, SLC80 31dB
Weight	366 grams
Clamp Force	12.5 newtons

FEATURES AND BENEFITS

High Performance	The Python earmuffs offer class leading hearing protection, with a SLC80 Rating 31dB. Suitable for noise levels to 116dB(A), the Python is perfect for general and industrial use.
Low Clamping Force	With a solid yet lightweight ear-cup construction and low clamping force ensure maximum wearer comfort while still maintaining a snug, tight seal
Contemporary Design	The foam padded steel wire headband construction provides strength to withstand demanding use, in a comfortable contemporary design
Adjustable headband	The high quality stainless steel head band system allows for easy adjustment for individual fit.

HEARING LOSS PREVENTION

Easy prevention measures, including hearing protection, avert permanent and debilitating hearing loss.

Hearing loss due to industrial noise is one of the most widespread, yet preventable work place injuries. Significant, irreversible hearing loss can occur after being subjected continually to noise from machinery, day-to-day activities, tools and traffic.

Research and development by ProChoice has resulted in hearing protection devices that offer the most effective protection available.

INDUSTRY APPLICATIONS

- Mining
- Engineering
- Manufacturing
- Wood Working
- Construction
- Fabrication
- Automotive
- Cleaning and Industrial

RECOMMENDED PROCHOICE SAFETY PRODUCTS
