

# Let's face it! Your dial needs protection.

ProChoice has you  
covered with a selection  
of visors for a variety  
of applications.

**[CHOICE] PRO**  
[prochoice.com.au](http://prochoice.com.au)

Whether it's welding, grinding, chopping, cutting, pouring or mixing... any job that may cause chips, sparks or chemicals to fly, your face should be shielded.  
The Professional's Choice in Safety Gear.

# The ProChoice Vadar range of visors can be attached to ProChoice hard hats and brow guards.

Our range is designed and manufactured with comfort and Australian conditions in mind. And you have peace of mind - proudly all ProChoice visors are certified to AS/NZS requirements.

Designed to work with ProChoice Browguard and Head Ratchet Gear

Fits perfectly with Quicklock clip system for easy on/off

One piece wrap around design for unobstructed views and greater protection

BGVC

Vadar Assembled Browguard and Visor (VC) with Ratchet Head Gear (BGVC)

The Vadar visor is anti-fog and offers 99.9% UV protection for outdoor wear. Comes with replaceable Cotton sweat band (BGSB) which provides greater sweat absorption. The Browguard (BG) and Visor (VC) can be purchased separately

BG
