Customer approval for Production as is.								

APPROVAL: Please check this proof thoroughly. Whilst we have taken great care in providing this proof, it is your responsibility to check the type setting, layout, barcodes, and colour representation. Your signature signifies your acceptance of any resulting charges. It is agreed that we accept no responsibility for any errors found thereafter. **PLEASE NOTE:** Colours depicted are only indicative of the printed article, due to variances on screen, via remote proofing device capabilities or printing inks and substrates used.
