READY-TO-USE INSECTICIDE
MAC SLAY DRY INSECTICIDE

MAC Slay Dry Insecticide®

MAC Slay Dry Insecticide® is produced by Arandee Limited, a MacGregor Greer company. With over 50 years of experience in border biosecurity and public health, the MAC Slay line of products offers a comprehensive range of professional pest control solutions that are widely used by pest controllers, businesses, and government entities.

MAC Slay Dry Insecticide® is a highly effective and safe pest control solution that complies with all industrial standards. It is popularly known as "Slay Professional" and is the preferred choice of many professional pest controllers. Its unique blend of active ingredients guarantees an immediate knockdown and a 100% kill rate. It is a non residual, non staining and fragrance free formulation. It has obtained approval from both the Ministry of Primary Industries (Type A, animal products, including dairy) and AsureQuality. Meeting compliance requirements for use in sensitive environments such as food manufacturing, healthcare, aged care, education, and more.

Formulated with a high degree of ethically sourced active constituents MAC Slay Dry Insecticide® is packed in large capacity, high pressure hermetically sealed aerosols which optimises product integrity and provides a safe and convenient ready-to-use delivery mechanism. Available in space spray, total release fogger and three automatic dispenser formats MAC Slay Dry Insecticide will keep your environment free from unwanted flying and crawling insects.

CERTIFICATIONS	– Ministry of Primary Industries approved Type A (all animal products including dairy) – AsureQuality approved – Environmental Protection Authority of New Zealand – ISO9001:2015 – Packaging approved by Civil Aviation Authority New Zealand

READY-TO-USE INSECTICIDE
MAC SLAY DRY INSECTICIDE

FEATURES

- Dry spray insecticide
- Micromist technology to enhance efficacy
- Immediate knockdown and 100% kill-rate
- No residual effect
- Non-staining
- No stand down
- Ready-to-use aerosol
- Fragrance-free, low odour
-

TRACEABILITY

- Batch number tracked. GS1 registered

APPLICATION

	Space Spray	Auto 250ml	Auto 300ml	Auto 500ml
Application	As required	Variable	6000 x 50 μ L	Variable
Stand down	None	None	None	None

PROPERTIES

Colour	Colourless
Odour	Characteristic, slightly ethereal

SAFETY

- 18-bar high-pressure hermetically sealed can
- Comply with issued safety data sheet
- 48-month shelf life from DOM
- Rapid breakdown in the environment

STORAGE & HANDLING

- Refer to safety data sheet
- Protect from direct sunlight
- DO NOT expose to temperatures exceeding 50°C
- Keep out of reach of children
- Contents under pressure
- Keep away from heat, hot surfaces, sparks, open flames, and other sources of ignition
