

<b>CHARACTERISTICS</b>	<p>MAC SprayMark Ink has a proprietary formulation that utilises Dimethyl Ether propellant delivering continuous pressure and paint quality to the end of the can. All SprayMark Ink cans are guaranteed to empty 100%.</p> <p>The low surface tension of the product readily adheres to a wide range of target surfaces producing a bold, crisp stencil mark. The formulation is specifically designed to reduce stencil build up and product drift during application making it safer to use and stencil clean up a breeze. Stencils can either be soaked or left to dry, then simply 'flex and crack' overspray off the stencil.</p>
<b>ACTUATOR</b>	The wide format fan spray actuator delivers a consistent wide band of product reducing the number of passes required. The orientation of the spray pattern can be easily adjusted from east to west to north to south by rotating the red insert on the actuator.
<b>PACK SIZE</b>	500ml aerosol can
<b>APPROVALS</b>	NA
<b>COLOURS</b>	Red, White, Black, Yellow, Green and Blue
<b>PROPERTIES</b>	<ul style="list-style-type: none"> <li>○ Easy stencil clean up - prolonged stencil life</li> <li>○ Good single pass coverage – improves productivity</li> <li>○ Fast drying</li> <li>○ UV absorbers enhance light fastness</li> <li>○ Toluene and lead free – safer for the user</li> <li>○ Large format can – reduces environmental waste and creates economies</li> <li>○ Fully recyclable can and components</li> <li>○ DME propellant reduces shaking time and eliminates blocking</li> <li>○ Guaranteed to empty</li> </ul>
<b>APPLICATION FEATURES</b>	<ul style="list-style-type: none"> <li>○ Suitable for use with or without a can-handler such as Can Gun 1</li> <li>○ East to west or north to south spray pattern</li> <li>○ Use on damp or dry surfaces</li> <li>○ Technology to reduce spray drift</li> </ul>
<b>APPLICATION MEDIA</b>	<ul style="list-style-type: none"> <li>○ Cut timber</li> <li>○ Bark</li> <li>○ Pallets</li> <li>○ Plastic wrap</li> <li>○ Drums</li> <li>○ Synthetic fabrics</li> <li>○ Metal</li> <li>○ Concrete</li> </ul>
