406 Hydro Cold

- Fully Water repellent
- Warm thermal Liner
- Breathable foam Latex
- Very comfortable

Designed to protect hands from liquid and freezing temperatures, SHOWA's 406 water-repellent gloves allow for optimum comfort when working in tough conditions. Intelligent insulation keeps hands warm and dry whilst reducing perspiration inside the glove, to preserve grip and tactility. Even when wet, the glove's rough surface allows for increased control, and the flexible material enables easy movement.
