Retail Sku's are generally sold with a headercard and barcode that can be sold in retail stores. Bulk sku's are the gloves only which are generally sold as inners/ cartons and intended for large industrial users.

### Certifications

This nylon liner offers dexterity and comfort with mechanical resistance. The seamless liner and anatomical shape allow delicate parts to be handled, reduce hand fatigue and prevent irritation/ It minimises the creation of lint and dust. The nitrile coating offers good elasticity and excellent resistance to abrasion and oils. Showa's original design provides minimum joint fatigue. The back of the hand is ventilated to limit perspiration. The elasticated cuff keeps the glove correctly adjusted.
