

Always Innovating. Never Imitating

- USFDA compliant
- Certified Category III Glove
- 66cm length
- Full arm double dipped nitrile coating

Providing excellent protection from a wise array of solvents, oils and acids, this chemical-protection glove is flexible and watertight. The rough surface finish ensures excellent grip, and the cotton liner wicks away sweat for wearer comfort. An eyelet and elasticated cuff keeps the glove in place to ensure full and consistent protection from an array of hazards.
