

# Steplite® X Solidgrip Black

## FEATURES

- + **Non-metallic toe cap for optimal crush protection**
- + **Lightweight, wide fitting boot**
- + **Increased slip resistance SRC**
- + **Reinforced sole for protection from punctures**

Made with NEOTANE® technology, these boots are significantly lighter than boots made with other materials. The weight of boots has direct impact on the comfort one experiences whilst wearing. The Bekina boots have a sealed front, making them strong and impermeable on the outside, have a light and insulating structure, and have a self-regulating thermal process on the inside of the boots.
