

# New Balance Allsite

New Balance Allsite provides protection across all conditions.

Waterproof upper construction ensures protection across all outdoor conditions, constructed with the lightest weight materials, such as composite toe, midsole and TPU eyelet. Allsites features minimise fatigue from even the longest day on-site while not compromising on safety. Additionally the NB comfort insert, Acteva midsole and strong heel counter come together to provide comfort, stability and flexibility for the most active worker. COMFORT WHILE YOU WORK.
