

COMFORT WORKER

Key Features

- Top selling safety shoe in the Overland Stable – Proven success in many areas of trade in NZ and abroad
- SRC NZ Safety rated outsole (Oil and Water Slip resistant) with Anti-Static properties
- Incredibly lightweight – Features a composite safety toe and a running shoe midsole
- All day comfort – Features a Polyurethane innersole as a standard comfort and the Compression moulded EVA midsole ensures great cushioning and shock absorption over long hours
- Durable – Features a Polyurethane coated upper to minimise abrasion while the nylon mesh upper reduces weight but maintains great breathability. Reinforced toe guards reduce premature wear on toes from scuffing
- Unisex fit - Covers Women's and Men's Size profiles of a UK 3 to 13
