Retail Sku's are generally sold with a headercard and barcode that can be sold in retail stores. Bulk sku's are the gloves only which are generally sold as inners/ cartons and intended for large industrial users.

### Certifications

Exo delivers excellent impact protection, keeping your hands safe from nasty bumps, bangs and bruises. The low-profile design and premium 15 gauge yarn delivers superior hand and fingertip dexterity, while the double coated nitrile palm provides long lasting durability and excellent grip in all situations. And to top it off, Ironclad's exclusive carbon nanoparticle infused palm provides guaranteed touchscreen performance.
