Southern Cross[®] LADIES / ZIP / TPU / SCUFF 512719

The Southern Cross[®] Ladies Zip Scuff is a 150mm women's lace-up safety boot with an industrial grade side zip and scuff cap.

Upper Materials

Full-grain (Black) or nubuck (Sand) cowhide water-resistant leather upper with double stitching in nylon thread. Features a scalloped, padded collar and tongue, and non-corrosive lacing.

Toe Cap

200J Safety Steel.

Lining Materials

This boot is lined with Baltico[®], a soft, non-abrasive, hydrophobic material that wicks perspiration away from the foot, keeping the skin cool and dry.

Full Innersole

A full length footbed that is inserted into the footwear to offer additional support and comfort. This footbed is made from soft polyurethane that will retain its shape and thickness throughout the life of the boot.

Insole

Heavy-duty, flexible anti-bacterial non-woven insole.

Midsole

Directly moulded Polyurethane midsole for greater shock absorption.

Outsole

Anti-Static Thermoplastic Polyurethane (TPU) Outsole for superior wear properties and heat resistant to 130°C.

Trisole[®] Comfort Technology

The Steel Blue soling system is a patented three density soling system that offers a high level of comfort, shock absorbency and energy return. The system uses PORON[®] as energy absorbing pads under the pressure points of the foot to give the wearer superior comfort and offers similar shock absorbency and comfort to sports footwear.

True Ladies Fit

Steel Blue's Ladies range is specifically designed to complement the shape of women's feet and include a shorter ankle-length and smaller instep.

Safety Boot Features
